### Bye Bye Love (F-Dur)

Ref.:

B        F    B        F            B    F                            C    F  
 Bye Bye Love, Bye Bye happiness, Hello loneliness, I think I'm gonna cry.  
 B        F    B        F            B                            C        F  
 Bye Bye Love, Bye Bye sweet caress, Hello emptiness, I feel like I could die,  
 F            C            F  
 Bye bye my love, Bye bye.

There goes my baby, With someone new, She sure looks happy I sure am blue,  
 She was my baby, till he stepped in, Goodbye to romance that might have been.

I'm through with romance, I'm through with love, I'm through with counting the star above.  
 And here's the reason that I'm so free: My lovin' baby is through with me.
