My way (C-Dur)

1. And now the end is near and so I face the final curtain, my friend I'll say it clear, I'll state my case of which I'm certain,  
 I've lived a life that's full I travelled each and every highway and more, much more than this I did it my way.

2. Regrets, I've had a few but then again to few to mention, I did what I had to do and saw it thru' without exemption.  
 I planned each charted course, each careful step along the by-way and more, much more than this, I did it my way.

Yes, there were times I'm sure you knew, when I bit off more than I could chew, but thru' it all, when there was doubt,  
 I ate it up, and spit it out. I face it all and I stood tall, and did it my way.

3. I've loved, I've laughed and cried, I've had my fill, my share of losing, and now as tears subside, I find it all so amusing. To think I did  
 all that, and may I say, „not in a shy way“. Oh, no, oh no, not me, I did it my way.
